

# PRE PRINTED HARD HAT

**FPR  
HEAD PROTECTION**

## GENERAL DESCRIPTION

When it comes to your head it is critical the best protection available is worn. Force360's range of hard hats are Australian made for peace of mind and are the lightest on the market. The HPFPR57 versions offer Type 1 protection with premium 6 point terylene comfort harness. The pre printed range are ideal for office and sites where they are often part of mandatory evacuation policy and procedure.

## FEATURES

- ▶ Certified Australian design and manufacture for trusted and reliable head protection
- ▶ Lightest Type 1 hard hat on the Australian market, made with high impact ABS
- ▶ Premium 6 point comfort harness is made from terylene that ensures comfort and cushioning and an adjustable pin lock strap for secure fit
- ▶ Unique accessory slot ensures most 25mm and 30mm earmuff, visor adaptors, and the like fit securely
- ▶ Pre printed range comes with vents to improve air circulation, ideal for wearing in hot and humid environments
- ▶ Reinforced rain peak
- ▶ Pad printable in 7 areas up to 4 colours
- ▶ Custom coloured hard hats can be made to order (MOQ applies)

## RANGE

FORCE360 CODE	DESCRIPTION	COLOUR	PRE PRINTED
HPFPR57WA	Force360 Fire Warden Hard Hat	Red	Fire Warden
HPFPR57CW	Force360 Chief Warden Hard Hat	White	Chief Warden

## TYPE 1 OR TYPE 2

- ▶ Type 1 hard hats are made from lightweight, hi impact rated ABS. This hard hat is suited to most everyday applications that are not heat related
- ▶ Type 1 is most common hard hat for construction and general head protection from impacts
- ▶ Type 2 hard hats are made from hi impact rated polycarbonate. This hard hat is suited to high heat applications like smelters and foundry works
- ▶ Type 2 hard hats should be worn where there is a risk of exposure to high heat and fire

## STANDARDS & CERTIFICATION

Force360 source their entire range of hard hats from a single manufacturing partner to ensure consistency and reliability of product. Most importantly Force360 have taken the further step by engaging SAI Global to periodically audit and certify both the manufacturing process and the products. All of Force360's hard hats are certified to AS/NZS 1801. This standard in part ensures shock absorption, resistance to penetration, stiffness of the shell and electrical resistance are all within specified parameters. For **Certified Australian Standard** protection, only wear head protection with the Red Tick Tower.
